BC Fleet Champions Program offers two incentives to BC fleets that sign on to the West Coast Electric Fleets Pledge.

1. Fleet Business Case

Get a **free assesment** (~\$35,000 value) of your fleet vehicles and find out how much you could save by adopting Electric Vehicles (EVs)! If you already have EVs, EV telematics can provide insight on best ways to improve vehicle performance. Choose from the following options:

- Free EV suitability assessments with FleetCarma
- Free EV Telematics with FleetCarma
- Simple business case for smaller fleets of less than 10 vehicles

Apply by January 27, 2017

2. Charging Infrastructure Incentives

Apply for a **rebate** on the purchase and installation of a Level 2 charging station for your fleet vehicles, and save 33% or up to \$2,000 with the Charging Infrastructure Incentive. Funding is limited, so apply today!

- Up to \$2,000 off the purchase & installation of a charging station
- Free site assessments available
- Discount on EV charging stations

Apply by May 1, 2017

Sign the [WCEF pledge](#) today to become eligible for the incentives available through the BC Fleet Champions Program.
