

Sunny & Zip's BC ADVENTURE

This is **Sunny**.
And this is **Zip**.
Electric Vehicle best pals
On a **big road trip**.

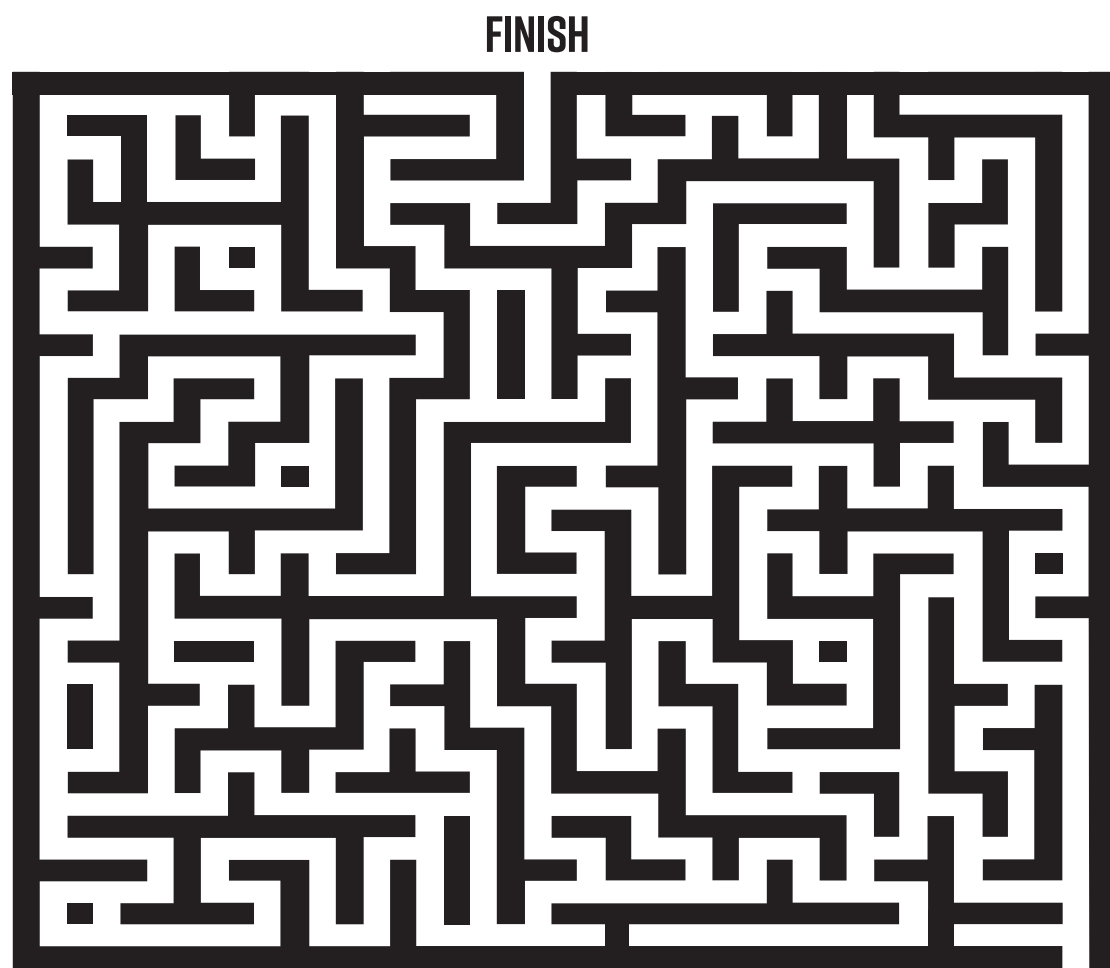

In **Victoria** first
Where flowers bloom.
They drive up to **Port Hardy**
and catch a beachside full moon.

To the **ancient forests**
 Up north they go
 Where the **larch trees** are gold
 And the mountains have **snow.**

They visit **small towns**
 With quaint little shops
 They experience nature up close
"Zip, I never want this to stop!"

Into the **interior**
Beauty so rare
Skiers zip down **big mountains**
While **bighorn sheep** stand and stare.

The lakes are **icy**
No Ogopogo in sight
The sun sets over the **desert**
"Sunny, I've had the time of my life!"
